

HAUS OF KÜHL

FOR IMMEDIATE RELEASE
June 9th, 2025

Welcome To Our Haus, You Rules.

JHB LINEUP

15 JUNE 2025

After building nationwide anticipation with the Meisters Takeover teaser release, Haus of Kühl is proud to officially unveil the full Johannesburg lineup — a powerful collective of artists and creatives who are set to ignite the stage and set the tone for this dynamic, style-led cultural experience.

From genre-blending performances to fashion-forward moments, the Johannesburg edition of Haus of Kühl is more than an event — it's a statement.

A celebration of individuality, sound, and self-expression, with each performer bringing their own flavour to create what will be the Kühlest moment of the season.

Adding another layer to the experience is the Meister Market, a curated fashion pop-up that amplifies the culture-meets-style ethos of the event. In the words of Jagermeistersouthafrica:

"Drip so clean it belongs in another dimension. © Shop the dope pieces at the Meister Market Pop-up with Thesis Lifestyle, Boys of Soweto, Kombonation, and more."

This retail-meets-culture activation will offer guests an exclusive opportunity to shop some of the most exciting local fashion brands in one immersive space.

This kickoff event promises immersive vibes, bold energy, and unforgettable artistry — setting the stage for the Durban and Cape Town editions to follow.
